

The assertive Chinese Foreign policy

- moves characterised by boldness, wider options more challenging & innovative.

- driven by men seeking results, not much time,

→ resurrected dealing with domestic critics  
- a ~~new~~ foreign policy body formed in State Council under LEUNG PING<sup>(1960)</sup>  
HUNG HUN NO. 3. CIAO CHUN-CH'U.

- Senile - clumsy

- Burma - clumsy as was overseas Chinese

Give <sup>inquiries</sup> Arms - contacts with <sup>ovv</sup> attaches  
considering

↑ wider options re-investment (mixed signals)

indicating explanation + divisions

held 5 or 6 year portions on this

- Loans

- from purchases.

~~Primary Ideas SIT removed~~

SIT out 7.90

- signals on Taiwan - more direct Christine

WU Hsiu-chuan -

- more skill USSR

- U.S. faces more dynamic choices

in PRC some argue: U.S. connection not worth it - Temporary expedient

abandon as soon as possible

V.I. in constant, irreducible declining

others : U.S. firms have long term benefits for PRC security  
+ prosperity plus interdependence
